

Ailevon Pacific Welcomes Aboard Jonathon Nield

Atlanta, GA., September 1, 2015 - Ailevon Pacific Aviation Consulting LLC is pleased to announce that Jonathon Nield has joined the firm as a Senior Consultant based in Seattle, Washington.

Jonathon has uniquely diverse airline industry experience. Prior to joining Ailevon Pacific, he was Regional Director of Airline Network & Fleet Planning for Boeing Commercial Airplanes. During his tenure at Boeing, he consulted airlines on their networks, fleets, and strategies all over the world, including North America, South America, Africa, Asia, and Europe. Previous to joining Boeing, Jonathon worked for Amazon, where he led the execution of their global last mile transportation network. Prior to that, he worked at Southwest Airlines in multiple roles, including reservations, ground operations, and network capacity planning.

Jonathon holds a Bachelor of Science in Marketing from Arizona State University and is finishing his thesis work in pursuit of a Masters of Technology in Aviation Management from Arizona State University.

“We are excited to add Jonathon to the Ailevon Pacific team,” said Brad DiFiore, Managing Director, “He brings a strong background in both domestic and international network planning, as well as unique technological insights. We are thrilled that he is joining our growing organization.”

Ailevon Pacific Aviation Consulting is an aviation industry consulting firm, providing advice to Boards, CEOs, Business Development Managers, and other senior managers to help define strategy, identify new opportunities, and build better businesses. With offices in Australia and the United States, Ailevon Pacific is one of the world's most geographically diversified independent aviation consultancies. Serving over 40 airports and related entities throughout the Asia Pacific region, the Americas, Europe, and beyond, Ailevon Pacific provides tailored, innovative, and highly insightful analysis to our clients. Across these geographies, Ailevon Pacific has worked with leading airports, tourism bodies, national, state/provincial and local governments, and other private and public sector clients.
